Personal Statement

This is ANSON Kwok, a senior web/graphic designer with over 19 years of experience specializing in web design, front-end development, UI/UX design, and graphic design for company marketing online/offline promotion materials, especially in the Fintech, financial and IT industry. Apart from my design ability, I am a creative, friendly and enthusiastic person, can adapt any working environment.

I graduated from Vancouver Film School Interactive Media Diploma Program in Feb 2004. This program focuses heavily on visual design, interactive media design and end user experience. During that period of the time, I have learned different design skills, and web programming; my major studies are Interactive Design and Authoring & Programming.
